Global Recognition for Kerala Startups at Eureka! GCC 2025

Empowering Startups | Showcasing Innovation

We are proud to share a significant milestone for Kerala's startup ecosystem! One startup nominated by Kerala Startup Mission (KSUM) through Startup Infinity's outreach has made it to the Top 10 finalists of the prestigious Eureka! GCC 2025 program.

Selected Finalist from Kerala:

Dreamloop.ai

Dreamloop.ai Wins 2nd Runner-Up

We are delighted to announce that Dreamloop.ai, founded by Rahul AR, has been declared the 2nd Runner-Up at Eureka! GCC 2025, winning an equity-free cash prize of \$10,000 USD.

Organized by Gulf Islamic Investments (GII) in collaboration with E-Cell, IIT Bombay, Eureka! GCC is one of the GCC region's most prestigious platforms for early-stage startups.

This global recognition reinforces our commitment to creating international opportunities for Kerala's emerging ventures and showcases the immense potential of our local innovation ecosystem.

Testimony from Dreamloop.ai

With Startup Middle East's support, we had the incredible opportunity to participate in Eureka GCC 2025, Asia's largest startup competition, where we were proud to win 2nd Runner-Up. Standing on that global stage was a truly proud moment—and it wouldn't have been possible without Startup Middle East believing in us and our vision.

At Dreamloop.ai, we believe the future of game creation belongs to everyone. We're on a mission to unlock the next billion game creators, and we're grateful to have Startup Middle East as a partner on this journey.

Thank you for empowering dreamers like us and helping turn vision into reality.

LocateNow.ai Selected for Sheraa's Deal Dock Through Startup Middle East Nomination

We're proud to announce that LocateNow.ai, an innovative location intelligence platform has been nominated by Startup Infinity and selected to participate in the first-ever Deal Dock by Sharjah Entrepreneurship Centre (Sheraa) — a premier investor connect program designed to empower high-potential startups.

The Deal Dock event brought together 200+ startups and a strong network of prominent investors, including six leading VC firms managing over \$670 million in capital. It fostered meaningful connections that go beyond pitch sessions, focusing on real partnerships and growth opportunities. Startup Middle East remains committed to supporting Indian and regional startups in scaling globally through strategic platforms like these.

The Virtual Pitch Edition 4

Startup Infinity, in association with Kerala Startup Mission (KSUM), organized a Virtual Pitch Session on Friday, June 20, 2025. The session provided a platform for selected startups to present their business ideas to investors and ecosystem enablers, with a focus on scalability and global growth.

Four startups nominated by KSUM participated in the session, representing key sectors such as RiskTech, Quartelz EdTech, Electa Energy Pvt.Ltd and International Virtual Assistance (IVA)

Featured Startups

Session Highlights

- Focused startup pitches
- Investor feedback and mentoring
- Opportunities for international collaboration

The session highlighted the strength of Kerala's startup ecosystem and its readiness to explore global opportunities. Startup Infinity remains committed to supporting such initiatives that foster innovation, growth, and cross-border connections.

Open house Trivandrum

As part of the Startup Infinity initiative, an Open House session was conducted at KSUM Trivandrum on June 10 to engage with startups and introduce opportunities for scaling up in the UAE. It was attended by 12 startups and Mr. Siby Sudhakaran was the speaker for the session. It focused on market expansion support and potential collaborations in the region.

Scaleup Index 2025 – Join the Survey!

Startup Infinity presents the Scaleup Index 2025, an exclusive survey designed to map the journey of startups in the GCC region. This initiative aims to gather insights on startups operating in or exploring opportunities within the UAE and other GCC countries.

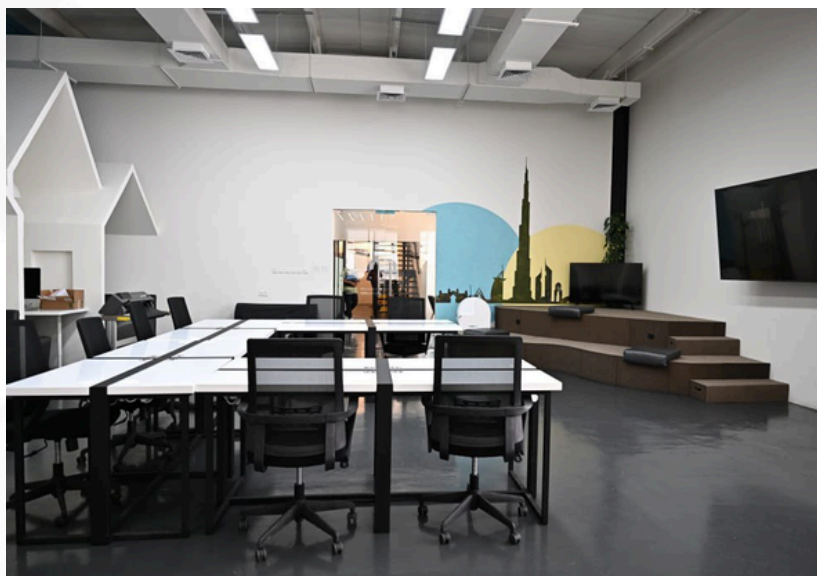

We want to understand your startup's growth, including its registration, business presence, expansion plans, affiliations with incubators or accelerators, and funding received from GCC-based venture capital firms. Your participation will help shape better resources and strategic support for founders like you.

Be part of this transformative initiative to map the journey of startups in the Middle East market.

Be Part of Startup Infinity Dubai

The Startup Infinity (SI) Desk is a dedicated platform for NRIs and startups to establish and expand their businesses. It offers company registration support, access to Kerala's tech talent, co-founder matchmaking, and strategic partnerships.

Startups from Kerala can leverage global market access, while international startups get three months of free workspace to explore the Indian market. With investor connect programs, business workshops, and support from Startup Middle East, SI Desk is set to be a vibrant hub for global startup growth.
